

## Church Planting Intern Posting

CrossWinds Church is an urban, neighborhood focused, multi-congregational, Gospel-centered church. Our mission is to start and grow intentionally local, indigenous, reproducing, urban churches in the under resourced neighborhoods in and around Grand Rapids, MI. We envision a family of neighborhood congregations scattered throughout greater Grand Rapids. Just as the city is made up of many neighborhoods, so CrossWinds envisions being one church made up of many neighborhood congregations. CrossWinds is a diverse family of neighbors who are committed to loving Jesus and loving their community. We are currently organized into 3 neighborhood congregations and we are actively seeking where to go next.

CrossWinds is in search of a *Church Planting Intern* who desires to learn and grow as part of the CrossWinds family. This would provide a critical opportunity to learn through hands on ministry and collaboration with the pastoral team. This internship would prepare this individual to transition into the role of church planter and neighborhood pastor of our next CrossWinds congregation.
